|--|---|
| | This questionnaire deals with the past 4 weeks. All statements are related to your skin condition. It's important for you to answer each of them spontaneously based on what you feel or perceive. If a statement doesn't correspond at all to your reality, just tick "not applicable". |
| | Very often |
| | Often |
| | Sometimes |
| | Rarely |
| | Never |
| | Not Applicable |

In the past 4 weeks, because of the way others look at you, did you feel that it was better to...

| | |
|--|---|
| | ...avoid appearing in family photos for fear of damaging them? |
| | ...avoid some people? |
| | ...not use a professional for body care (hairdresser, masseur, manicure)? |
| | ...not approaching other people spontaneously? |
| | ...refuse direct contact with the public? |
| | ...avoid being put in the spotlight (physically)? |
| | ...cover/hide the visible parts of your affected skin? |
| | ...not show yourself, hide yourself? |
| | |

In the past 4 weeks, because of the way others look at you, have you felt...

| | |
|--|---|
| | ...that you have been less loved [appreciated] by your family, your friends? |
| | ...that you brought shame to your family, and your relatives? |
| | ...that you were pushed away by your partner? |
| | ...that people avoided shaking your hand? |
| | ...that you have been treated differently during administrative procedures? |
| | ...that some people see you as being dirty? |
| | ...that you have faced discrimination at work? |
| | ...that you have been left out by your colleagues at work? |
| | ...that people have avoided sitting next to you on public transportation, and in public places? |
